

Part 2- "The Games"

by Meghan Chamberlain

Printed on April 25, 2014

1. The games begin!

The 74th Hunger Games begin and Katniss escapes the bloodbath with a helpful backpack. She is then by herself.

2. Fire and dehydration

Katniss faces many conflicts during her first few days. Including dehydration, exhaustion, and fireballs!

3. Careers and Peeta

Katniss finds out that Peeta is apart of the career pack and his helping hunt her down.

4. Tracker Jackers

Katniss escapes the careers by climbing a tree and with the help of Rue she launches a deadly Tracker Jacer nest on the careers!

5. Food Explosion!

After forming an alliance with Rue, they successfully blow up the careers food supply.

6. Rue's Death

After completing their plan Rue sadly dies and Katniss avenges her . Then sings her to sleep and covers her body in flowers.

7. Rule Change

A rule change allows tributes from the same district to both win. Katniss begins her search for Peeta.
